III. EXPENSES AND ALLOWANCES

Part-time members (OIC, Category D) are **entitled** to be **reimbursed** for **transportation, accommodation, meal and out of pocket expenses** incurred in the course of their duties, as a member of the tribunal, in accordance with **Group 2** rates, policies, and procedures. These rates are subject to change.

Meal Allowances

Meal allowances are paid only while on “**travel status**” defined as any meeting or hearing **more than 32 km from the member’s home/office base**, and

- if travel starts **after 7 am**, breakfast cannot be claimed;
- if travel starts **after 12 pm**, lunch cannot be claimed;
- if travel starts **before 7 am** and return home is **after 6 pm**, a full day expense per diem can be claimed.

Group 2 meal allowances are:

Full Day \$	Half Day \$	Breakfast Only \$	Lunch Only \$	Dinner Only \$	B&L Only \$	L&D Only \$	B&D Only \$	Incidental Only \$
49.00	N/A	22.00	22.00	28.50	30.00	36.50	36.50	14.00

- (Unless otherwise provided for in this appendix) The reimbursement rates **cover meal and other out-of-pocket travel expenses**.
- Where travel is for a **partial day**, **only meals** that are applicable to that **portion of the day** spent on travel status are claimed.
- Where a **meal is provided without charge** or is paid for from public funds, **no claim** for that meal can be made.
- The **meal/per diem** allowances **cover expenses** arising from absences away from headquarters or geographic location over a meal period(s).

No receipts are required for meal or incidental allowances.

Private Vehicle Allowance

Where a private vehicle is used on **BCRB** business, reimbursement shall be:

\$0.55 per km

- the distance allowance does not apply when using leased, rental or government vehicles;
- actual transportation toll charges may also be claimed (**receipts provided**).

Acceptable Parking Charges

When a private, Government, or leased/rental vehicle is used for **BCRB** business, parking charges will be reimbursed (**receipts must be provided**).

Vehicle Damage Reimbursement

Where an appointee's private vehicle is damaged while in use on **BCRB** business, the Provincial Government shall reimburse the lesser of actual vehicle damage repair cost or the appointee's vehicle insurance deductible to a maximum of \$500 per occurrence, for:

- a) damage caused to the vehicle by vandalism that results from employment; and/or
- b) damage as a result of an accident while on **BCRB** business.

This section will not apply where a court holds that the appointee or driver of the vehicle is guilty of willful, wanton or gross negligence.

Air Transportation

Board members are **requested** to book commercial air transportation through the **BCRB's travel agent** rather than charging costs to personal credit cards. Travel Agent contact information is available from the **Executive Administrative Assistant (EAA)** at the **BCRB**.

Board members **paying for their own flight** arrangements must **provide receipts** with their expense claim.

The **most economic airfare** for air travel is **required**. This restriction may be waived in exceptional circumstances, with the **prior** approval of the **Chair**.

The Review Board **reserves the right to designate** a Board member's **mode of transportation**. Other considerations must include:

- the **cost and efficiency of alternative transportation** modes (i.e., time required to reach the destination and lost productivity), and
- additional **travel costs** (accommodation, meals, taxi, vehicle rentals, per diem fees) associated with each alternative.

Travel loyalty program benefits, such as airline frequent flyer points that are accumulated by members while travelling at **public expense must not be used for personal benefit**. Such benefits or discounts should be applied only against future business travel or donated to charities associated with the program. Benefits accumulated while travelling at public expense should not be used beyond the term of appointment.

No meal, accommodation, travel time or any other expense(s) will be reimbursed beyond the transportation costs that would have occurred had the appointee taken the designated commercial transportation.

Where personal and business travel are combined, reimbursement is to be based upon the lesser of actual transportation expenses or the most economical transportation expenses that would have been incurred had personal travel not taken place. Per diem allowances and other expenses will not be reimbursed beyond the costs that would have been incurred had personal travel not taken place.

Board members are **not authorized to fly private or personally rented aircraft** on the employer's business (travel expenses, air travel insurance, Workers' Compensation Board coverage, etc. would not apply during this or any unauthorized travel).

Car Rentals

Receipts/copies of receipts are required. The government has Corporate Supply Arrangements (CSA) with numerous rental agencies. CSA listings change every year, please review the link below for new information regarding car rentals while on Review Board business, and quote the Corporate Identification Number to ensure you are charged the negotiated rate and for insurance coverage. A list of CSA rental agencies and their government rates is published on the Internet at the following URL (Note - not all locations are covered under a CSA):

<https://www2.gov.bc.ca/gov/content/governments/services-for-government/bc-bid-resources/goods-and-services-catalogue/daily-vehicle-rentals> (Open Daily Vehicle Rentals by Community spreadsheet available at the above link)

Contractors should ask for the government rate and use the Corporate Identification Number for that supplier. Other rental agencies are to be used only when rental agencies with CSAs cannot supply vehicles. Note the following:

- **PAI** (personal accident insurance) will not be reimbursed.
- **CDW/LDW** (collision/loss damage waiver) will be reimbursed only when renting outside BC or when renting from rental agencies without a CSA (both in and outside BC).
- **Download and review the In-Province Accident Matrix** to ensure you are familiar with procedures should you be in an accident with a CSA rental car (same link above, under Important Information)

Accommodation Charges

When you are **traveling for hearings** or other approved **BCRB** meetings or business, you must review the **available options for the city** you are traveling to, located on the following website:

<http://csa.pss.gov.bc.ca/businesstravel/>

There are listings of acceptable hotel accommodations, for each city. Rates may vary by summer, winter and shoulder season (Mar 1 - Apr 30, Sept 1 - Oct 31), but rates offered to government staff and contractors are clearly listed on this site.

When making your **reservation**, please **ensure the price** you are charged is **at or below the rates** quoted in this hotel guide for the room (there may be specials or promotional prices that are below the rates quoted in the guide). If a hotel states a rate higher than listed in the Guide, please inform the Review Board EAA.

Only in exceptional or emergency circumstances should a hotel be used that is **not in the guide** – i.e., all the hotels in the guide are full). Except in emergency situations (hearings ran late; unexpected lay-over or flight delays in communities where an overnight stay was not anticipated), you must seek the **BCRB** Chair's approval **PRIOR** to making your reservation, if the hotel is an unlisted one.

Receipts for accommodation must be provided.

Where private lodging is used in lieu of commercial accommodation, reimbursement of \$30 maximum per day may be claimed.

Miscellaneous Expenses

Panel Members are entitled to claim miscellaneous travel expenses for:

- ferry tolls, ferry reservation fees and highway tolls
- airport improvement and security fees, Nav. Canada fees and applicable fuel charges
- bus/taxi/limousine services
- parking charges
- business phone calls
- The per diem rate includes allowances for incidentals, such as gratuities, portage, personal phone calls, laundry or dry cleaning.

Receipts must be provided for all miscellaneous expenses.

IV. SUBMISSION OF PER DIEM AND EXPENSE CLAIMS

Personalized forms of the **BCRB acceptable format** for claiming **per diem rates** and **expenses** are provided to each Board member (sample forms attached).

These **forms** are available **electronically** in **WORD** or **PDF** format, for your convenience.

Receipts for any **expenses** (refer to **section III** above for information on which expenses **require receipts**) incurred while on Tribunal business must be **submitted** at the **time of the claim** to be considered for reimbursement. Claims may be submitted by fax, email or regular mail.

Board members submitting their **claims by fax or email** must **retain the original receipts** for at **least two fiscal years** (government fiscal years go from April 1 to March 31).

If sending by regular mail, any receipts **smaller** than 8.5" x 11" are to be attached to a piece of paper 8.5" x 11": multiple small receipts maybe attached to the same piece of paper.

To facilitate timely payment of per diems and expenses, Board members must submit the forms for claims **no later** than the **11th day of month** following the applicable billing period. There is no requirement to **wait** until this date to submit monthly invoices.

Annually, before the fiscal year end of the Government (March 31), Board members will be sent instructions from the EAA regarding submission of billings for payment.
